Will update but have heard good things about the cooking class including that there's a lot of food.

**Students who signed up and haven't yet paid need to bring 12 euro to class tonight. Please bring exact change.**

Suggestion: Combine wine and oil classes next year. Longer time and bigger class may increase participation.

Wine Tasting classes are usually more popular than Oil Appreciation

5. **Sports – Fiorenza International School Cup started last night** – how did it go? Next game tonight at 8:00 pm.

Refugio apologizes for missing first game, but Coach Andy was great! Fun, many students. Challenge was to find a good rotation for players. Great support and cheering. Keep having fun!

**Meetings:**

1. **Next SAB Meeting** - Mon., Oct. 22, 12 noon in aula magna

**Other:**

**Resident Permit**

**Feedback:** Suggested to tell future students that they will be at the Post Office until noon.

Post Office tells CSU when and how to run the Resident Permit field trip. CSU has no control over Post Office and how many windows they have open.
