MEMORANDUM – ATTENDANCE POLICY

Attendance to these courses is mandatory and more than two unexcused absences will lower the grade (excused absences will be accepted for serious medical reasons or serious emergencies) as follows: 3 unexcused absences, lowers one letter grade; 4 unexcused absences lowers two letter grades; 5 unexcused absences, lowers three letter grades. More than **five unexcused absences** could result in failure of the course.

In order not to disrupt the class, punctuality is required. Students are expected to be in class at the beginning of the class hour; any delay exceeding ten minutes will be considered an absence.

During the academic year photocopies and other material will be distributed in class by the instructors. Students who have not been in class are responsible for getting the material from their classmates and making their own photocopies. All assigned homework should be completed prior to entering the class.

Use of the computer in class is restricted to oral presentations.

The language spoken in class is Italian. No other activities such as eating, etc. are allowed.

Dates of exams can not be changed for individual needs. Students should take note of the dates and hours of the midterm and final exams and plan their trips after the last exam. It is important to tell friends and relatives about this so they do not surprise you by buying tickets for you for trips to be made before that date. Missing the midterm or the final exam could mean failure of the course.

Incompletes will be allowed only for serious emergencies and must be completed within two weeks.

Professors are available, by prior appointment, for short clarifications and explanations, during office hours.
